Summer

Bricks know how to spend it

HHS students spent their summer in many different ways. Some students spent their summer partying or on the beach, while others had summer jobs at fast-food joints, stores, or other businesses throughout the Northwest Indiana area.

Many students enjoyed part of their summer attending camps such as cheerleading, Girls' and Boys' State, music, band, theatre, and journalism. Others participated in sports such as girls' softball

and big league baseball. Still others travelled around the country and abroad.

Some just laid back and enjoyed the sun and warm weather, all the time knowing that school would begin again much too soon, and then it would be back to HHS. However, for seniors, a totally new experience awaited them either in college, in the military, or at a job. A new life begins for them and summers, from now on, will never quite be the same.

Senior Lisa Null was crowned Football Homecoming queen during the half-time festivities of the Homecoming game, Sept. 26, which the Brickies won over the Chesterton Trojans, 18-15. The princesses were Junior Lori Murray, Sophomore Laura Welsh and Freshman Michelle Walker.

Senior Ron German was crowned as Mr. Football by the student body and was honored by the Booster Club during the seventh hour pep session.

After the pep session the annual Homecoming parade through town featured the

class floats, the band and auxiliary corps, the cheerleaders, and representatives from other school groups.

The Junior Class won the float competition with "Destroy the Trojans."

Booster Club members painted store windows in Hobart and decorated players' lockers, while Quill and Scroll sold Homecoming mums, and Student Council sponsored a dance Sept. 27 to celebrate the Homecoming victory.

Fall Play

Theatre performs 69 scenes

For the first time in many years, the HHS theatre classes, under the direction of Miss Shirley Mumaugh, performed the fall play, "Feiffer's People," Nov. 12 and 13.

Previously, the fall play was open to all students. Auditions were held and rehearsals for the play were entirely extra-curricular.

"Feiffer's People" consisted of 69 separate scenes and covered a variety of subjects. All students were required to participate in the play for a grade. Each student had at least three major characters and additional minor parts.

Student directors for the play were Jody Jackson, Tom Prosser, and Bev Deal. Melissa Cochran was the stage manag-

er, Jody Jackson, Tom Prosser, Mary Orosz and Tiffany Testerman provided lights, and Karen Lowe did the sound for the play.

Members of the cast were Catherina Aabo, Mike Corder, Gayle Dickson, Jody Jackson, Chris Kopack, Shannon Lewis, Michelle Lucas, Micheal Nobles, George Ploutis, Tom Prosser, Debra Rearick, Sheryl Reyes, Susan Rivera, Joe Rodriguez, Raeann Rodriguez, Bev Deal, Denise Ellch, Sheila Forbes, Tracy Grafton, Marie Jensen, Sue Kemper, Jennifer Marshall, Natalie Matie, Rob Mills, Tom O'Rourke, Doug Sheehy, Mark Sinar, Jackie Wayman, Dave Widener, Chrisi Winsor and Kriss Zertuche.

Dances

HHS students look back on dances

What year would be complete without the dances at the high school? On Friday nights a sock hop would be held after the game. Win or lose, it was the place to be. There were also special dances which hold special memories for the students. Who could forget the homecoming dances, the semi-formal, or the Aloha, Seniors dance? Besides being fun, the dances also helped raise much-needed funds for the organizations which sponsored them. Student Council, Math Club, and Honor Society, to name a few of the groups, along with chaperones, helped to make the dances memorable.

Competitors

Academic teams move into spotlight

Highlighting the school year's academic achievements were the many academic competitions in which Hobart competed and placed in. Beginning the year was Hobart's Spell Bowl Team which received a first place award at regionals. However, the team's score wasn't high enough to compete at the state level. Next was the Academic Decathlon Team which placed third in superquiz competition. Jay Lee placed first in the honors' division for the interview section of competition. Terry Choncoff took third in speech and in the all-around varsity division, and Pat Menke took third in the varsity alternate competition for fine arts. The Hoosier Academic Super Bowl Team, which grew out of the Decathlon Team, took first place with its English squad at regionals and went on to state. The Problem-Solvers also won the privilege to compete at the state level.

PROM

Juniors present 'A Night in Heaven'

The 1987 Junior-Senior Prom, "A Night in Heaven," was hosted at St. Sava's Serbian Hall. During the Prom, the band "Oasis" played and for the After-Prom dance, "Midwest Express" played. In order to pay all of the expenses, the Junior Class raised money through candy sales.

During the Prom, Seniors Pete Tomaga and Sandy Schaeffer were named king and queen. Ten other senior couples were nominated for the honor, and only the prom-goers voted.

The day after the prom was spent in a variety of ways with Great America, the Dunes, Turkey Run and the zoos being the most popular.

Graduation

Seniors finish off schooling in traditional style

Rosalind Howell and Jeffery Lovless whip the seniors into line before graduation.

Beginning one of the most important nights of their lives, two hundred thirty-two seniors lined up in the hall anxiously awaiting the playing of the processional by the high school band. After filing into the auditorium, Michele Yaros gave the invocation, Kris Sherrard welcomed the guests, and the valedictorian, Eric Roth, and co-salutatorians, Traci Gearhart and Fred Seibel, read their speeches. Richard Barack then presented the 1987 Senior Class to Supt. Raymond Golarz. Finally the long awaited moment had arrived and the diplomas were conferred. The band then played the recessional after Beverly Deal gave the benediction. The new alumni then raced to their homerooms to receive the actual diplomas. They were seniors no more and then they rejoiced.

ACADEMICS

Authors visit creative writing classes

Honors English for the freshmen was offered for the first time and was taught by Mrs. Denise Galovic. The class wrote a term paper about childhood experiences. In some other ninth grade English classes the students wrote, produced, and directed short plays. In the creative writing classes, Mr. Tony Rose spoke on radio ad writing and Mr. Greg Lenburg came to speak on being the co-writer of the biography of the Three Stooges. They were videotaped so those who were absent could see them. Poetry writing was added at the end of the year for the literature unit in English II class-

ses. In the English VII classes, mock employment interviews for jobs were videotaped. In the senior novel classes, a controversial novel, "To Kill a Mockingbird," was added. Fundamentals of speech was added to the communications department and was taught by Miss Shirley Mu-maugh. The theatre classes presented a fall play, "Feiffer's People," and a children's play. The school system was not able to bus the elementary students over, due to the financial crisis, so two public presentations were performed.

Germans invade; French classes do skits

Twenty German exchange students arrived in Hobart April 3. The four boys, 16 girls and two chaperones lived in the United States from April 3 to April 22, with a host family in Hobart. This was the fifth time German exchange students visited Hobart. On July 17, 19 HHS students flew to West Germany for their three-week stay in Erlangen. The Hobart students were chaperoned by Mr. and Mrs. Tom Wuchner. A German grammar computer program was added for practice for difficult grammar points. The advanced fourth and fifth year German classes read a play in German by a Swiss playwright, which is used at the college level. Video skits were pre-

sented and added on the previous years' videos. Some Spanish fourth and fifth year classes wrote biographies in Spanish about the famous people they admire. An annual hat dance for beginning Spanish classes and a cultural day were held. Junior Julie Brandenburg was a finalist in the IU Honors Program and studied in Mexico over the summer. The French classes sampled food, learned French songs, and "visited" Parisian monuments through the computer. French students wrote and presented skits and commercials, wrote autobiographies in French, and wrote illustrated short stories in French.

Math, science students invent activities

Pre-Algebra was introduced for the first time in the math department and was taught by Miss Barbara Gerberick. In the Honors Geometry classes, students made games and puzzles for elementary students, constructed string art, and built polyhedrons out of paper. Geometry classes, also reported on pythagoras. Other geometry and physics classes read and wrote a report on "Flatland." Students represented HHS in the Chesterton High School Invitational Math Contest. Sophomore Juli Lute, who was in the Algebra I division, received sixth place. Other students who participated were (Algebra I) Robi Ivaldi, Mike Stewart, (Geometry) Jeremy Garri-

son, Steve Hirlston, Bob Osiel, (Advanced Algebra) Karen Lowe, Mary Miller, Scott Roper, (Comprehensive) Eric Roth, Dave Grubb, and Ann Marie Waldron.

The biology classes added pigs to their usual dissection unit. They also studied life in terrariums and aquariums. The accelerated medical biology class went on a Sunday field trip on ecology at West Beach. In the general science department, Al Corrales made a robot and placed first in Engineering at the Purdue Calumet Science Fair, Hobart did not have a science fair because of a lack of funds.

Bands keep busy with contests, concerts

Mr. Kevin McNulty joined the faculty as director of the marching, symphonic, concert and jazz bands. He also taught music theory. A dance corps was added to the marching band, while the pom-pon squad was eliminated. The sponsor for the dance corps was Joelle Shafer. Juniors Melissa Cochran and Samantha Cook were the captains. Drum majors for the school year were Seniors Tom Ehrhardt and Ron Seben. Flag captains were Juniors Regina Wilder and Michelle Lucas. During the year, the marching band and flag corps received

many awards. At the Chesterton Invitational, they received third place. The concert and symphonic bands participated in the District I Regional Contest with both receiving second place awards at Portage. Senior Jim Grubbs was awarded a first rating on four different instruments. Cheese and sausage was sold as one of the fund raisers to help raise money for buses and the entering of competitions. Al Harris, a professional musician, visited the classroom.

Choir keeps singing with new director

Although Mr. Dean Wolff had been around Hobart High School for many years in various capacities, this was his first year as full time high school and middle school choir director. Unfortunately, Mr. Wolff was laid off at the end of the school year because of our financial crisis. Soloists and mixed ensembles participated in various contests. A back-up combo was added for some choir songs and the HHS band was combined with the choirs for a concert in the fall. The following were named outstanding choir students: Sophomore Tracy Hinshaw,

Junior Shawna Owens, Senior Bev Deal and Senior Natalie Matie. The All-State Choir participants were Tom O'Rourke, Bev Deal and Sheila Forbes. A synthesizer was added to the choir classes despite the financial crisis. Twenty-three Hobart High School students competed in the ISSMA solo and ensemble contest for vocal and piano music Feb. 7 at Crown Point High School. Soloist Sophomore Kelly Caldwell and Duet Seniors Bev Deal and Linda Tipton achieved perfect scores.

Two classes added to social studies

Two new classes were introduced in the Social Studies Department. They were geography, taught by Miss Pam Payne and Mr. Bob Johnson, and state and local history, taught by Mr. Mike Brown. In the state and local class, the students celebrated Indiana's 170th birthday Dec. 11 with a party. Mayor Calvin Green, State Senator John Bushemi, and Assistant Principal Tony Rose attended the party. They celebrated with corn preserves, wild boar, venison chili with beans, pheasant and dumplings, buffalo stew, and, of course, a birthday cake. The senior economics classes ex-

perimented on the law of variable proportions and followed the stock market. Speakers visited economics classes from IT&T and the Bell and Howell Corp. The local steel economy and the Chicago Board of Trade were worked into the senior economics curriculum. During the fall some government classes studied the election, worked at the polls as election and party officials, and news representatives. In the world history classes students portrayed famous historical characters and built models of historical structures.

Home ec., shop classes complete projects

Those students who selected from the Home Ec. Department had seven different classes to choose from. In the interpersonal relationships classes, students studied and applied role playing. Foods and nutrition classes had frequent labs. The clothing and textiles classes did projects on the construction of clothing among numerous other projects. In the child development classes, students gave reports of birth defects and observed pre-school children. The housing classes made drawings of furnishings and decorated a home. In the family living classes, students had role playing and researched and planned a wedding. The financial crisis affected the home ec. classes with fewer food labs, less money to spend of food supplies, and no replacement or repairs on equipment.

In auto mechanics, students re-

built and installed a V-8 engine for a 1964 Chevy and installed two camshafts in Chevys. Auto mechanics also made a videotape of rebuilding a small lawn mower engine. Senior Jeff Harmon was named outstanding for the advanced auto mechanics class. Speakers in the class included one from Lincoln Tech. Projects that were highlighted during the year were Mike Eleff's oak toy box and Joe Vendramin's oak rocking chair, made in the woodworking class. The class had less for repairs and supplies due to the financial crisis. Mr. Thomas Farlow retired at the end of the first semester which necessitated a change in the teaching assignments, and Mr. Hank Jarvis and Mr. Joe Monacy from the middle school were brought up to the high school for part of the day.

Hearts throb with CPR, jump rope

CPR was brought back into the health and safety curriculum after being dropped in the 1985-86 school year. Concern over AIDS necessitated individual masks being used over the dummies. Sock hops were held to raise the \$585 for the 340 masks. A special project on family life situations was done by some health and safety classes which was passed on to the gifted and talented class. Captain Steve Retig of the Hobart Police Department, Lt. Steve Mast of the Hobart Fire Department, and Mr. Bill Wilson of Rees Funeral Home spoke to the health classes.

Posters and reports on smoking, drugs, and drinking were done in the alcohol education classes. The posters were hung around the school and appeared in the Hobart Gazette.

All of the gym classes participated in Jump Rope for Heart, which raised \$1,510. Aerobics was added into the curriculum for the girl classes. The girls were responsible for an aerobic routine from scratch. Badminton was also a new sport taught to the girls.

Artists begin mural, enter art shows

Gifted and talented was offered for the first time in the arts and crafts curriculum. The class was taught by Mr. Dale Marcus. Gifted and talented students, Chris Steffus, Debbie Vrtikapa, Byron Bradford and Jeff Wozniak, painted the French mural in the hallway. A commercial artist and a painter visited the classes in April. Students also made a display in the Hobart mayor's office for "March through the Arts Month," which was displayed until April 6. Students participated in art shows and won various

awards. Purdue Calumet Art Show awards were presented to: First Place-Senior Nyle McCollum; Third Place-Junior Debbie Anderson; Honorable Mention-Sophomore Dean Hammond and Sophomore Mike Pilbean. At the Tri Kappa Art Show, the Best of Show Award was given to Sophomore Steve Garland; Second Place Fine Arts Division, Sophomore Dean Hammond; First Place Crafts Division, Senior Rick Rans; and Second Place Crafts Division, Junior Byron Bradford.

Students get down to business

For the first time, basic programming students were allowed to select the class for two semesters as well as the previous one semester class. The computer classes were taught by Mr. Vidal Lopez. The classroom received 24 new Zenith computers despite the cutbacks. There was new Turbo Pascal software purchased. The office procedures class received several new computerized units as did other busi-

ness classes. Word processing had a new computer lab, SAMNA, which is a word processing program. School City of Hobart Business Manager Mr. Frank Green visited some business classes and talked about school taxes and property taxes of Hobart. Representatives from several business schools also visited the shorthand and office procedures classes.

'Media Fair Nightmare' takes first place

In the radio and tv section, advanced tv was taught for the first time. Both the introduction and advanced television production classes produced a video for the 1987 Media Fair in Culver, April 11. The beginning class won a first place ribbon at the Media Fair for its video entitled, "Media Fair Nightmare." The advanced class produced a weekly football-basketball show aired over U.S. Cable. The program received good reviews and earned air time. Students also videotaped after-school activities for video productions, which were for

classroom use.

The 1987 Memories yearbook was printed by a new company, Walsworth, and yearbook type was sent in on a disk instead of copy sheets, as the yearbook entered the computer age. The computer operation took much time and effort for the staff to master. The Ho-Hi Life staff met together with the beginning journalism class, which along with a lack of funds, necessitated the newspaper being printed only once a month.

'Total Teen' results cause controversy

Senior G.T. students conducted a survey called the "Total Teenager" with all the classes. The class presented the controversial results to the school board at a meeting in May. G.T. students could not have any field trips due to the financial crisis, unless it was on a weekend and they went themselves. The Senior G.T. classes also made a western movie. A problem-solving team from the classes quali-

fied for state competition. Students went to the Gary/Hobart Water Corp. and the sewage plant for experiments. Several speakers who were experts in the various fields the gifted and talented classes were studying, visited the classes. At the end of the year, the classes were visited by speakers who talked about leadership.

Top — Judge James Kimbrough visited the gifted and talented senior class when the class was studying race relations.

Middle — Junior G.T. students, Mike Golarz, Lori Murray and Jay Lee videotape a skit.

Bottom — Mr. Steve Corey spoke to the G.T. classes during the year.

PEOPLE

ADMINISTRATION

When Dr. Raymond J. Golarz became superintendent of Hobart, he discovered that the school was \$1.6 million in debt. To help the money situation, many ideas were brought forward. The administration laid off teachers at the end of the school year, introduced an early retirement incentive plan at the end of the first semester and the end of the year, cut one-third of all janitorial staff, and reduced the hours of all secretaries, clerks, aides, and cafeteria personnel. Supplies in the schools were sparse. Field trips and other special trips, for the most part, were eliminated. Some coaching positions were also eliminated.

Two administrative positions were eliminated for 1987-88. After Mr. Paul Throne, director of special services, retired in June, the school board voted not to fill his position. Also, Mr. Tony Rose, assistant principal, was laid off.

Mr. Throne's last job dealt with special problems with special needs. His position is not being filled at this point in time.

Now that Mr. Throne has free time, he's going to travel, take adult education classes, computer programming, woodworking, and most of all, he's going to spend time with his wife.

Three faculty members retires

In an effort to lessen the number of teachers that would be laid off, the administration offered an early retirement incentive at the end of the first semester. Two teachers, Mr. Thomas Farlow and Mrs. Loma Davies, decide to take advantage of the plan.

Mr. Farlow has been teaching at Hobart for 35 years. He has taught general metals, driver's education, drafting, and vocational math.

Before teaching at Hobart, he attended school in Hobart for 12 years and graduated from college.

Mr. Farlow will be spending his retirement working in his garden and orchard. He also will be doing some woodworking and repairing things that have needed to be attended to.

Mr. Farlow said that he enjoys hearing from his students who have graduated and that most of them who come to visit are those who did well in class and have jobs in the fields dealing with the subject he taught.

Mrs. Loma Davies has been teaching at HHS for 17 years. She taught second and third grade

for one semester at Calumet Baptist before coming to Hobart.

Mrs. Davies has taught physical education, freshman and sophomore English, creative writing, and sophomore and junior composition. She has also been a guidance counselor.

When asked what she is going to do after her retirement, she answered, "I plan to spend my free time doing freelance writing, helping my daughter in her bakery/deli, and playing with the three cutest grandchildren in the world." Mrs. Davies will be selling her house here and moving to Kansas.

Mr. William Bertsch retired from the Hobart school system in the summer of 1986. He came to Hobart in 1956. Before that, he was in the Air Force.

Mr. Bertsch, over his 30 years in Hobart, was a teacher, guidance counselor, assistant principal, principal, director of federal programs/media resource center. After his retirement he plans to spend his free time working in his garden, fishing, woodworking, and traveling.

ORGANIZATIONS

HHS clubs sponsors many activities

The clubs and organizations at HHS offered a variety of activities for their members. The Booster Club sponsored the football pep session and Mr. Football and Mr. Basketball. It also tried to bring some recognition to all of the sports.

The Varsity Cheerleaders were honored with a free breakfast by the Kiwanas. The cheerleader clinic raised the most money by doubling the last year's total.

The Fellowship of Christian Athletes had many fundraisers. The group worked the concession stand at the football games twice, sold "Brickie on Board" signs, t-shirts, and had a pancake breakfast. The FCA also had a high percentage of the members on the honor roll.

The French Club visited Chicago's Museum of Science and Industry and dined at the Bon Femme in Merrillville. The candy and ice cream fundraisers were used to help cover social activities and scholarships.

The Genesius Players had a record high in attendance and profits for the talent show. Senior Tom O'Rourke was a charter member of Northwest Indiana Symphony Chorus.

The German Club visited many interesting places. Chicago's Art Institute, Water Tower Place, Sear's Tower, and Museum of Science and Industry headed the

list. The club sponsored its fifth German-Hobart exchange featuring 22 Bavarian students. Junior Jay Lee was awarded an outstanding German Scholarship Award by Indiana University.

The Home Ec. Club sold personalized cookies and Brickie book bags as fundraisers. The club also visited Sebo's Heritage Manor.

The Math Club sponsored the Aloha Senior's Dance in May. It also took place in the annual softball game against the National Honor Society, which NHS won. The club had many fundraisers such as a car wash in April, and sockhops. The club earned the most money for scholarships in the past several years.

The National Honor Society sponsored the Semi-Formal Dance and the food and toy drive with the Varsity "H" Club. NHS held the "Nicest Legs" Contest and sold candy canes and flowers for money for scholarships and food pantry. Seniors Susie Rivera and Tom Ehrhardt went to Washington D.C. for the Presidential Classroom.

The Photography Club sponsored the pictures with Santa Claus and the Easter Bunny. The club also took pictures at the summer dance, sponsored by the Student Council, and the Aloha Senior's Dance.

Quill and Scroll sold Football Home-

coming mums and produced the Senior Will booklet. The club also sponsored journalism student awards. Senior Don Zakutansky was named Outstanding Student Journalist and Senior Jim Daniels was most valuable staffer.

SADD organized special speaker John Reed for a convo. The club also attended the Hoosiers Against Drunk Driving conference at Ball State.

The Spanish Club had two sponsors, Mrs. Marissa Podgorski and Mrs. Barbara Shinovich. The candy and ice cream fundraisers were used for the honorary dinner and scholarships. The Spanish Club also visited many places in Chicago including State Street at Christmas time, Water Tower Place, and the Art Institute.

The Student Council sold bags of popcorn and candies to raise money for scholarships and student leadership conferences.

The Varsity "H" Club made Christmas baskets and toys for needy families in Hobart. It also sponsored the Homecoming Dance and many other sock hops.

The Writer's Club held its meetings every second Monday of each month, usually with a speaker. The club met the other three Mondays for critical comments and advice on members' papers.

Boys' and girls' teams defeated at Sectionals

TENNIS

The boys' varsity tennis team finished their season with an 8-9 record, and the junior varsity ended with a 10-3 record. Coach Tom Wuchner said that watching the inexperienced underclassmen develop into genuine varsity winners between August and October was the highlight of the season. He also commented that it was exciting for the seven underclassmen on the varsity team who had a winning season. Captains of the team included Seniors Howie Jones, Mark Sinar, and Joe Vossberg. The assistant coach was Mr. Bob Clifford, who has coached for the past three years. Special awards went to Freshman Jason Gearhart, Outstanding Underclassman; Sophomore Troy Mercer, Brickie Spirit; and Junior Don Lajic received Most Improved. Sectionals began well with wins over Merrillville and Calumet. The Brickies then went on to be defeated by Andean in the

semi-finals; this ended the season.

The girls' team had a slow start this year due to injuries, but finished with a 4-10 record. Coach Tom Wuchner felt that highlights of the season were wins over Chesterton and Lowell, and Sophomore Tricia Glinos' 12-2 record in singles. Wuchner was assisted by Mr. Bob Clifford. Having 27 girls, this year's team was very large. There was improved play by Sophomores Michelle Freeman and Kris Milburn, Freshman Cary Haas, and Senior Amy Fetterer, remarked Wuchner. Also, Seniors Traci Gearhart and Heidi Wuchner, and Sophomore Tricia Glinos did a great job in singles. Senior Traci Gearhart was MVP; Senior Heidi Wuchner, who was also team captain, received the Brickie Spirit award; and Sophomore Tricia Glinos was Most Improved.

Team finishes 2-19; looks to strong underclass

VOLLEYBALL

The varsity volleyball team had a disappointing 2-19 season with its only wins coming from East Chicago Central and Gary Roosevelt. Coach Carmen Dulhanty has coached the team for the past four years. Captains of the team were Seniors Allison Benjamin and Danielle Lajic. Special awards went to Senior Danielle Lajic, top server; Sophomore Kelly Misco, top defensive player; Junior Drucilla Peddicord, top spiker; and Senior Ann Marie Waldron, the Lady Brickie Award.

The junior varsity squad had a better year with a 10-8 season. Coach Sherrie Mathews, who

has coached the team for two years, felt that some strong hitters developed over the season. The team also developed a good setter which makes the future look brighter. The highlight of the season was coming from behind to win against Michigan City Rogers.

Miss Jolinda Lucas' first year as freshmen coach resulted in an 8-4 season for the A-team and a 0-8 season for the B-team. "The freshmen level was used to improve the skills of the athletes. All girls began working as a team and improved their fundamentals toward the end," commented Coach Lucas.

Boys win sectionals; injuries plague 4th place girls' team

The boys' cross country team won the sectional meet for the first time in 18 years. The highlight of the season was qualifying for semi-state. Three-year coach Curt Binder commented, "Our main goals were to win sectionals and qualify for semi-state, which we did. We were pretty satisfied." Most valuable team member was Senior John Fernandez, who took first place at sectionals, and both the Iliana Invite and the New Prairie Invite. Fernandez was also a state finalist. Other awards went to Senior Paul Little, Most Improved; and Sophomore Ray Jimenez, Most Consistent on the team.

Injuries plagued the girls' cross country season, but the team managed a fourth place at sectionals. "Since we only had six runners this year, it was difficult to overcome sickness and injuries," said first year coach

Lynette Emmons. Senior Maureen Manning was the most valuable player and took first place at many meets. Junior Tami Wilson, who was awarded the Best Attitude, was the number two runner on the team, but later was injured with back problems. Juniors Helen Fuller and Lori Funk were very consistent, running in third and fourth. Sophomore Jennifer Vargo and Junior Kathy Jarski filled the number five and six spots.

Senior Captain John Fernandez is on his way to another Duneland Conference win.

Boys finish 8-13; Workman replaced as head coach

BASKETBALL

Although the boys' varsity basketball season ended with the team winning five of its last six games, and an 8-13 record, the contract of seven-year coach, Tom Workman, was terminated by the school board at the end of the season. The team had a tough stretch in the middle of the season but finished well. One of the highlights of the season was the Homecoming win over Valparaiso. Team captains were Seniors Ron German and John Leonard. Special awards went to Senior John Leonard, leading free-throw shooter; Junior Todd Eliot, leading rebounder; Junior Jeff Ford, leading assists; and Seniors Ron German and John Leonard received the Bob Hunt Award.

The junior varsity team ended its season with 12 wins, the most since 1979. Coach Bob Graham said, "The team had a very enjoyable season with good team chemistry and good effort from everyone." Over-

time wins against Valparaiso and Merrillville highlighted the season. Junior Chris Kostoff was the leading scorer and had the best free-throw percentage. Leading rebounder was Eric Grant; most steals and most assists went to Junior Rick Walworth.

Girls improve record

BASKETBALL

Although the record of the girls' varsity team was 5-14, it was the best record for the girls' team since the 1981-82 season. "Back to back wins over Gary Wirt and Lowell at the end of the season provided excitement," remarked Coach Jeff Loveless. Mr. Loveless has coached for eight years, but only during the last two he coached the varsity team. The team played well at the beginning of the season, had a rough streak, and then played better the rest of the season. "This year's team was very young," said Mr. Loveless, with four sophomores among the top five scorers. Sophomore Beth Kozyra received the Bob Hunt Mental Attitude Award and free throw percentage; Sophomore Tricia Neely was awarded

Most Improved Player; and Sophomore Allison Thompson, Most Rebounds. Team captains were Seniors Danielle Lajic, Ann Marie Waldron, and Monica Noguera.

The junior varsity team ended its season with four consistent wins and a 10-5 record. Highlights of the season were conference win over Michigan City Rogers, Portage, and Valparaiso. "The 58-11 win over Gary Wirt was the highest point total ever scored by a girls' J.V. at Hobart High School," stated coach Moe Rhody. Sickness and injuries were the major cause of the loss of the five games. Freshman Michelle Walker was one of the leading scorers. Sophomores Tricia Neely and Laura Allen were also leading scorers on the

team. Sophomore Susan Biggs and Junior Kim Marshall were the team's leading rebounders. Sophomore Sharon Altevoigt had the best floor leadership and key play was by Sophomore Stacie Zytke.

Eight-year coach Gary Davis said that the team was very young this year and will be a tough competitor in years to come. Assistant coach Marty Ruzbasan, who has coached diving for the past five years commented that, "This diving team was the largest it's ever been, giving Ho-

bart an advantage in scoring more points for the team." Sophomore Dan Zlatic was Most Valuable; Sophomore Tim Johns received the Pride, Hustle, and Desire (PHD) award and the Bob Dwight award; Freshman Rick Ford got Most Improved. Boys' and girls' teams looking forward to next year's season

GOLF

This year's boys team was very young and is looking forward to a stronger team in the future. Also, Coach Floyd Wuenn said that he hopes to schedule more matches for the team next year. Final Notes

It seems so hard to believe, yet here it is - the end of the yearbook. At the beginning of this year and even towards the midpoint, a lot of people, myself included, had their doubts as to whether or not this book would see its completion. However, to my surprise, I discovered that I had one of the best staffs an editor could ask for. So, under high pressure and poor working conditions, my staff was able to perform a miracle and complete the yearbook. As a note to this accomplishment, I would like to give special thanks to our fairy godmother, mom, and advisor Mrs. Cynthia Lambeth. It is

easy to see that without her, none of this would have been possible.

Julie, I leave to you my staff and hope that you love this job as much as I did. I wish you the best of luck for next year. Becky, Tammy, Jim, Katie, and Diane: to you I want to thank for working so hard. Tami, as chief photographer, do a good job and pass it on to someone else. Finally, Stanley, Jim, and Adrian I say thanks and congratulations. I am going to miss this crazy staff. Love you all.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems in the UK is estimated to be 10% (Mental Health Foundation 1999).

There is a growing awareness of the need to address the needs of people with mental health problems. The Department of Health (1999) has published a strategy for mental health care, which aims to improve the lives of people with mental health problems. The strategy is based on the following principles:

- People with mental health problems should be treated as individuals, with their own needs and strengths.
- People with mental health problems should be given the opportunity to participate in decisions about their care.
- People with mental health problems should be given the opportunity to live in the community.

The strategy also aims to improve the lives of people with mental health problems by addressing the following issues:

- Improving the lives of people with mental health problems by addressing the needs of the community.
- Improving the lives of people with mental health problems by addressing the needs of the family.
- Improving the lives of people with mental health problems by addressing the needs of the individual.
